

## Lorain County Home Opening

A family oriented country home in Lorain County (Amherst) is currently seeking an adult female with I/DD to fill a recent vacancy in a quaint community. This opening is for a shared bedroom with a loyal female roommate. This vacancy features a ranch style home with four bedrooms and two full bath. In addition, a full recreational room in the lower level of the home is utilized for general activities by all. A large county lot with a huge fenced backyard is enjoyed with gardening and outdoor leisure by many.

The other housemates enjoy a wide variety of community activities and interests: shopping, movies, sports, bowling, restaurants, local events/fairs, etc. The home manager works closely with each individual and support staff to ensure both quality services and learning opportunities for all. No matter what each individual prefer to enjoy on a regular basis, a sense of belonging and acceptance and welcome is a common theme.

This home is licensed by the Ohio Department of MRDD. Staff support services are typically funded through a Home and Community Medicaid Waiver (IO Waiver) and/or the local county board of MRDD.
