

## Summit County Home Opening

A country style cape code home in Summit County (Springfield Township) is currently seeking an adult male with DD to fill a recent vacancy in a charming community. This opening is for a shared bedroom with a quiet and polite roommate. This vacancy features a two story home with three bedrooms, one full bath and two half baths. In addition, a large backyard, basketball area, screened sitting area, and nice front porch are enjoyed by all.

The housemates enjoy a wide variety of community activities and interests: restaurants, church, sports, movies, and local events/fairs, etc. The roommates also participate in backyard barbeques with their friends and family during the summer months. The home manager and support staff work closely with each individual to ensure both quality services and learning opportunities are occurring regularly. No matter the interest of each individual, a sense of belonging, acceptance and welcome is a common theme in this country home.

Staff support services are typically funded through a Home and Community Medicaid Waiver (IO Waiver) and/or the local county board of Developmental Disabilities.
