

Stark County Host-Home Opening

A ranch style home in Stark County (Massillon area) is currently seeking two adult females with I/DD to fill two recent vacancies in a friendly community. The Foster Mentor enjoys a wide variety of community activities and interests: shopping, movies, restaurants, local events/fairs, etc. This Foster Mentor has rabbits as pets. The couple in this home are active in their church. They also enjoy having their grandchildren visit. Those interested in this vacancy must be ambulatory and able to use stairs.

The home manager and Foster Mentor work closely with each person and support staff to ensure both quality services and learning opportunities for all. No matter what the person's interests are, a sense of belonging and welcome is a common theme.

Staff support services are typically funded through a Home and Community Medicaid Waiver (IO Waiver) and/or the local county board of DD.

For more information on these vacancies, or to schedule a visit, please contact Mary Schesler (Program Director) or Zonda Haase (Program Coordinator) at 877-792-2657 or 330-792-6900.
